Money matters. Especially if it's yours.

Whatever you choose to do with your money, it pays to know your rights – just in case things go wrong.

We hope you'll never need to complain about your bank or insurance company. If you do, the ombudsman can help.

Set up by law, the ombudsman has official powers to settle financial complaints you can't sort out yourself.

Find out about our free service and how we settle financial complaints at www.financial-ombudsman.org.uk or phone us on 0845 080 1800.
